D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	<p>Our grammar school, established by the South Moravian Region, is part of the Czech system of general secondary education. We provide both four-year and six-year study programmes aimed at preparing students for higher education and supporting their development as active citizens in a European context.</p> <p>We provide high-quality general education with a strong international and academic outlook. Alongside our well-established foreign language programmes – including preparation for the DSD II exam in German and high achievement in English (B2–C2, Cambridge Exams) – we offer a wide range of activities that support students’ personal interests and talents.</p> <p>Students take part in competitions, projects, the Duke of Edinburgh’s Award (DofE) and the Secondary School Professional Activities (SOC) programme. The student parliament plays an important role in teaching young people to be active and responsible citizens. We also run a school choir and a school magazine, and organise after-school talks and workshops in areas such as chemistry, robotics, 3D technologies and meetings with professionals from</p>

	<p>different fields.</p> <p>Thanks to this variety, we are able to support students with many different interests. As a school that attracts students from Brno and the surrounding region, we also act as a centre of education and civic life. Together with our strong commitment to international cooperation, this makes us well prepared for Erasmus+ activities and for sharing their results at regional and national level.</p>
